

Animal Swoon at Myrtle Beach State Park

February 14, 2017

6:00pm - 7:30pm

Enjoy an evening exploring the wild and humorous ways our local animals go about the serious business of finding a mate in an open and candid manner. In a fire-lit picnic shelter, discover how animals woo their mates by bellowing, singing, giving gifts of food, dancing, leaving scented notes, and much more. Enjoy light, Valentine's style refreshments. Adults only; 18 years and over. Both singles and couples welcome. \$15 per person. Space for the event is limited and registration is required by Friday, February 10. Call 843-238-0874 to register. Dress for the weather; it could be chilly! Bring a flashlight and coffee mug.
